Leading Ophthalmologist P. Dee Stephenson, MD, FACS, to be Recognized as a 2016 Top Doctor in Venice, Florida

P. Dee Stephenson, MD, FACS, native Floridian, founder and director of Stephenson Eye Associates, has been named a 2016 Top Doctor in Venice, Florida. Top Doctor Awards is dedicated to selecting and honoring those healthcare practitioners who have demonstrated clinical excellence while delivering the highest standards of patient care.

Dr. Stephenson received her Bachelor of Science degree from the University of Florida. She then obtained her Doctor of Medicine from the University of South Florida, followed by completing her residency in Ophthalmology at the University of South Carolina. She has earned the coveted title of Fellow of the American College of Surgeons, and Fellow of the American Academy of Ophthalmology. Additionally, she is certified by the American College of Eye Surgeons (ACES) with extensive expertise in micro-incision cataract surgery and implantation of premium intra-ocular lenses, as well as custom femto cataract techniques and intraocular aberrometry. Dr. Stephenson has been recognized by numerous institutions for her expertise, including being named one of 250 Premier Surgeons List of Leading Innovators for her contributions to cataract surgery and premium IOL's. Most recently, she was recognized by the prestigious Ocular Surgery News Premier Surgeon 300, as well as Who's Who in Ophthalmology.

Dr. Stephenson is continuously engaged in clinical research and studies to evaluate new technology, and is at the forefront of research and development in the creation of specialized surgical instrumentation and techniques, as well as the development of the next generation of intra-ocular lenses. She passes on her knowledge through lecturing and instruction to ophthalmologists worldwide, as well as ophthalmology residents as an Associate Professor at the University of South Florida in Tampa. Furthermore, she is on the editorial board of CRST, is a KOL and clinical instructor for Bausch & Lomb Surgical, consultant to Alcon, Allergan, and Zeiss, as well as Key Opinion Leader to LENSAR and Cassini/i-Optics. Dr. Stephenson presents her research and papers extensively at the ESCRS, ASCRS, AAO, AECOS, and Caribbean Eye meetings. She is also the current President (2015-2017) of the American College of Eye Surgeons (ACES). For her important research in more than one subject area, Dr. Stephenson is a very worthy winner of a 2016 Top Doctor Award.

About Top Doctor Awards

Top Doctor Awards specializes in recognizing and commemorating the achievements of today's most influential and respected doctors in medicine. Our selection process considers education, research contributions, patient reviews, and other quality measures to identify top doctors
